

Once a upon a time there was a beautiful fairy kingdom called Friendship named after a long tree in the middle of the land on Friday they had a party with big ballon's and streamers the girls had dresses and boys had suits suddenly the Queens guard Helen the fairy rushed to the party they stopped the music and said ahhh it's terrible what is it said Amy the Queens special gem of power has been stolen by who said Amy we don't know said the guard that's why all of the Queens guards are searching all over the land for clues Lilly rose come with me everybody stared at her and there were whispers in the party forest meanwhile in golden castle the Queen was rapped up in sweet butterfly blankets and the fluffiest pillow 10 minutes later Lilly arrived to the castle she was taken to were the Queen was she said you and you alone have to find my power gem or I will die you better set of quick you don't have much time left so she set of in 5 minutes she passed some flowers and some trees she went through the

and said yes then Lilly found a gem and it came up and they were snatching it off each other and Lilly clicked and Isobel made the thief fall over and then she flew to the castle on the way Isobel asked why she hurt her leg shed said she'd tell her later and when the gem was placed on the golden stall the Queen lept out of bed and a then the land was filled with joy once again AND THEY ALL LIVED HAPPILY EVER AFTER EVEN THE MUGGLE'S

forests of London there were many things to see and she said to herself I ought come here after a while I'm going to get a plan it took quite a while to think of a plan she thought to herself and in her head she said my friends could come up with a plan in no time but there not here so I have to think of one myself let's start with something simple walk forward when she was walking she sung "Do a deer a female deer Ray a drop of golden sun Me a name I call myself Far a long long way to run So a needle pulling thread La a note to follow so Tea a drink with jam and bread and that will bring us back to Do" she had scary thoughts about the rest of the journey but she kept thinking who she was doing it for the Queen

need shelter she then Lilly they then BANG BANG BANG there were people running because there was fire everywhere then she saw a young girl probably seven Lilly stopped her and said what are you running away from the thief hang on wait a minute muggle's know about it to of course it's in the news paper then she flew up and made the fairy call then her best friend Isobel came

She went to one part of the forest which had tree stumps round every Corner and curb she had what he'd the sound of music a very famous musical in friendship land one of the tree stumps she was walking by was sharp and cut her on her leg it was bleeding she sat on a toad stall and started to sing "raindrops on roses and whiskers on kittens Bright copper kettles and warm woollen mittens brown paper packages tied up with strings these are a few of my favourite things " she hopped off the toad stall and walked on strangely enough she got the feeling she was being what he'd she turned round and nobody was there but she turned round and then saw a hufflepuff fairy a small creature mind always ready to

Lilly didn't feel as scared as she did when she started but everything felt clear now she walked on livi said wait ! What said Lilly oh there was a rickety bridge she leant forward her foot instantly moved back they moved 5 steps forward suddenly an explosion appeared from guards from London there looking for the thief said livi I don't suppose you've brung any fairy dust ? yes I have actually pass said Lilly she did indeed Lilly through it on them and flew up then there was a storm Lilly said we need shelter shelter then they crossed a stoney entrance to a school

cause a little bit of mischief she caught it and squeezed it in her hand and said you can follow me but no causing mischief and you have to do exactly what I say please watch your flying there are high branches that could hit you if you aren't looking where your going hey what did you do to your knee oh I as soon as she was about to say a squirrel ran and knocked her off her wings the hufflepuff fairy she jumped out of behind Lilly and said come back here you filthy squirrel you need a piece of my mind come back here what's your name said Lilly livi she said my name is livi lets go then livi
