

the point So I went up to my room
and found another letter : you haven't
convinced your parents the only way to
protect yourself is to dye your hair green
and paint your lawn and body blue and
bring us crystals so I did exactly put

pirate party

I told my
mom and dad book a plane home
immediately why they said because the
Pirates are coming to get us err that's
a stupid fairytale that we don't believe
in dad just do it no right for your
cheek go to bed ... NOW ok ok I get

Once I went on holiday to Cyprus and
I went to sleep and to my surprise I
found a letter and it said : little girl the
pirates are coming and going to invade
your house so lock all the doors and
windows and we will leave another letter
for you under your pillow ! I told my

them in a bottle and sent it of to sea
when it happened the Pirates came to
our house I gasped oh no my bottle
didn't make it in time what are we
going to do

pirate party

she got the dog and cat
and made them bite the Pirates

I had an idea
they put graffiti on the walls

at that time ... we

: felt like it was all my fault: (which it was)
and made the house messier than
they other ones on the block
