

7 puppies are born Lilly Bella Esme love Jessica Amy molly but with powers Lilly Fire Bella ice Esme gymnastics love light Jessica animals Amy weather Molly plants !!! One day Lilly said Amy make it sunny no said Bella I want it cold like ice no no no Stop said Molly, suddenly black flying cats came down and grabbed them all and in

a while they arrived at a black and purple dusty tower up in the ten foot tall mountains with cats prancing around. they flew up to the highest window in the tower and a girl stood there in a purple dress and said so I hear that you have powers I want em NOW! Lilly stood forward and said you can't take me and my sisters powers and she winks at Bella was making ice on the floor madam evil slipped Lilly said get them out of here Molly they all hopped out of the tower and walked away after a while. they walked on a long winding bridge and then a dog catcher was chasing them they found a well and jumped in it Bella iced the top Lilly made a

warm fire love made a spark of light after a while they jumped out of the well they walked over the hills and all were very tired and slept . The next day they found a hut and then looked inside and found a young woman who was writing something and humming a tune and said this song is rubbish the record company will kill me and then she stopped and looked at me and said aren't you the cutest thing you have collars I'll name you Lilly love Jessica Esme Amy Molly Bella bark bark the puppies said cheerfully and the woman said do you want to here my newest song bark bark

Here are some pictures of old momma dog and Emma

my newest song bark bark wait a moment there my dogs madam evil walked in and held Lilly by the neck if you ever want to see these pups again you're

going to have to give them all to me nice lady gave up on the puppies and handed them to Madam evil she stepped outside and said to the puppies give me the powers or else or else what said Lilly I'll draw you all in whale lake they all gasped Lilly winked Amy and she made it stormy madam evil was furious then Lilly winked at Molly she made a big rose bush cage then Lilly winked at Esme and she grabbed madam evil and did some very rare gymnastics moves and finally through her in the cage when it was locked the sun emittedly came o
